MOPHIMS: Introduction to Profiles and MICA
Objectives

1) Participants will be able to identify, locate, and utilize MOPHIMS and the Community Data Profiles, Data MICAs, and EPHT query systems to gather data about community health status.

2) Participants will be able to analyze and interpret data found in the MOPHIMS Community Data Profiles and MICAs.

3) Participants will be able to identify confidence intervals, optional variables, and indicators in the MOPHIMS Community Data Profiles and MICAs and use these features to analyze data.

4) Participants will be able to appropriately cite data found in the MOPHIMS Community Data Profiles and MICA.

5) Participants will be able to apply the knowledge gained during this training to better perform their job duties.
