The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third-party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

**Financial Assistance Mechanism:** Cooperative Agreement

**Substantial Involvement by CDC:** This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO.

CDC will provide technical assistance to recipients through a variety of mechanisms described below.

- Provide case definitions as well as documentation and descriptions of how to collect required data elements.
- Provide a web-based system to enter data, export data to the recipients, and share data with CDC. The web-based data entry system will also support data quality by providing data summaries and implementing data entry rules, including restricting data entry to valid values.
- Provide training on how to use the web-based data entry system.
- Provide recipient results from CDC monitoring and evaluation activities including updates on key performance measures, CDC Data Quality Reports, CDC case reviews, and observations from CDC site and reverse site visits when resources are available.
- Work with recipients to solve challenges identified in evaluation and monitoring activities such as problems of missing or inaccurate data.
- Maintain a help desk for abstraction questions and questions about the web-based data entry system.

**Budget Revision Requirement:** By October 1, 2022 the recipient must submit a revised budget with a narrative justification. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

- Contractual- Provide six elements for both contractors. Please see budget preparation guidance.
