1. Terms and Conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CDC-RFA-DP19-1908, entitled Preventing Maternal Deaths: Supporting Maternal Mortality Review Committees, and application dated May 1, 2023, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

Approved Funding: Funding in the amount of \$570,000 is approved for the Year 5 budget period, which is September 30, 2023 through September 29, 2024. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

Supplement: Supplemental funds have been approved per the request submitted by your organization dated 05/01/2023. Additional funds in the amount of \$120,000 are authorized and have been distributed as indicated in the approved budget of this Notice of Award

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Financial Assistance Mechanism: Cooperative Agreement

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO.

Technical Assistance:

- Implementation of and data entry into MMRIA
- Identification of pregnancy-associated deaths
- Comprehensive, efficient, and effective abstraction of deaths
- Data quality improvement
- Data analysis of MMRC data, including analyzing aggregated MMRIA data to identify common opportunities for prevention
- Committee discussion facilitation and decision making
- Effective data use and dissemination
- Program evaluation and performance measurement

Information Sharing between MMRCs (funded and not funded through this NOFO):

- Through MMRC profiles and MMRC-developed products disseminated by CDC
- and partner organizations
- CDC will disseminate regular ongoing email communication to all recipients that

- will include information about conferences, current literature, and other relevant resources and events
- CDC will host distance-based topic-driven learning events to assist MMRCs with problem-solving areas of concern that arise during performance of program activities
- Networking and information sharing will occur during the in-person CDC-hosted annual reverse site visit

Budget Revision Requirement: By October 30, 2023, the recipient must submit a revised budget with a narrative justification for the following cost:

- Other: Supplement- Itemizations and justification for the stipends for two Graduate Students x \$4,500/students (\$9,000)
- Travel for Student Interns and temporary employees (\$373)

Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

Expanded Authority: The recipient is permitted the following expanded authority in the administration of the award.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of unobligated funds in Section 12 “Remarks” of the annual Federal Financial Report. If the GMO determines that some or all of the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient’s authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

FUNDING RESTRICTIONS AND LIMITATIONS

Indirect Costs: Indirect costs are approved based on the negotiated indirect cost rate agreement dated March 16, 2022, which calculates indirect costs as follows, a Provisional is approved at a rate of 18.10% of the base, which includes, direct salaries and wages including all fringe benefits. . The effective dates of this indirect cost rate are from July 1, 2023 to June 30, 2025.

Missing Contractual Elements – The contract listed below is **not** approved and the recipient may not begin the contract until an itemized budget and justification is provided via GrantSolutions as a Notification of a Contractor or Consultant and GMO approval is provided via Notice of Award.

Contractor 1: Supplement-TBD, Interviewers **(\$30,000)**
