

MISSOURI DEPARTMENT OF HEALTH AND SENIOR SERVICES
“Two Dogs” Radio Script
:30

(Grumpy/growling dog sounds, coffee cup being placed in saucer)

DOG #1: Oh...there...see...there it is again. *(Newspaper rustles)*

DOG #2: *(Has heard this a thousand times)* Let it go, Buster.

DOG #1: No. As a dog...I find this ad offensive.

DOG #2: They're just telling people to check their pets for ticks.

DOG #1: Yeah...but they always show a dog in the picture.
Like we're the only ones that can get ticks.

DOG #2: *(Sighs)* Here we go.

DOG #1: Cats get ticks. Hamsters get ticks. Oh...and what
about ferrets! Ferrets get covered with them.

(Music up and under)

ANNOUNCER: No, matter what kind of pet you have, always do a
“tick check” before they enter your home.

Learn more about preventing tick-borne diseases
from your local health department or the Missouri
Department of Health and Senior Services online.
