

UPDATED Qualifying Missouri Zip Codes for Poverty and Unemployment Rates

Updated 02.20.24

In accordance with 19 CSR 100-1.060(4)(B)5.F., eligible ZIP codes for qualifying poverty and unemployment rates are based on the most recent 5-year estimates published by the American Community Survey of the U.S. Census Bureau. The most recent American Community Survey data was released on December 7, 2023, and includes estimates from 2018-2022. Below are the qualifying ZIP codes for Missouri residents that applicants may use in their microbusiness application.
