

PARTICIPANT CHOICE STATEMENT INSTRUCTIONS (AGENCY, CDS, ADC & SFCW)

The Participant Choice Statement (Agency, CDS, ADC, & SFCW) shall be completed at each initial and subsequent (re)assessment used to determine eligibility for Home and Community Based Services (HCBS) for all participants with the exception of those who reside in a Residential Care Facility/Assisted Living Facility (RCF/ALF). Upon completion of the assessment and authorization of HCBS, the Participant Choice Statement shall be uploaded to the participant's electronic case record in the participant's electronic case record. The Participant Choice Statement provides documentation of the participant's involvement in the selection of services and providers, and development of the Person Centered Care Plan (PCCP), as well as, education regarding available community services and supports and reporting abuse, neglect, or exploitation. It also is used to assess the continued compliance with the [HCBS Final Rule](#) based upon participant feedback.

INSTRUCTIONS

The Division of Senior and Disability Services (DSDS) or their designee shall explain each section and have the participant or their responsible person initial, indicating they have reviewed and understood the information. If the participant is unable to initial, DSDS staff or their designee shall explain the participant's inability to initial on the Participant Choice Statement or in case notes.

PARTICIPANT NAME: Enter the participant's name.

DCN: Enter the participant's Departmental Client Number (DCN).

#3 For guidance regarding the ability to self-direct refer to [Personal Care - CDS](#).

#5 Review the appropriate Rights and Responsibilities document(s) with participant.

#6 Notify the participant that a copy of [DHSS' Notice of Privacy Practices](#) is available and will be provided to them upon request. They can request a copy of the privacy practices at their annual assessment or by contacting the Person Centered Care Planning (PCCP) team.

Person Centered Care Plan

#1 Explain suggested tasks, times and/or frequencies and the restrictions of only utilizing tasks which have been authorized. Additionally, explain the total authorized units is the maximum the participant may receive.

#5 Explain per State and Federal law the agency-model and CDS providers is required to use an Electronic Visit Verification (EVV) system. Refusal of the use of EVV could result in the participant losing their services.

Wellness

#1 Explain abuse, neglect, and exploitation as defined below.

Abuse: The infliction of physical, sexual, or emotional injury or harm including financial exploitation by any person, firm, or corporation and bullying (192.2400, RSMo).

Neglect: The failure to provide services to an eligible adult by any person, firm or corporation with a legal or contractual duty to do so, when such failure presents either an imminent danger to the health, safety, or welfare of the client or a substantial probability that death or serious physical harm would result (192.2400, RSMo).

Exploitation: The Crime of Financial Exploitation involves allegations that a person (whether a family member, joint tenant, caregiver/attendant, or someone who has assumed fiduciary responsibility) has knowingly by deception, intimidation, undue influence, or force obtained control over an eligible adult's property with the intent to permanently deprive the eligible adult benefit or possession of his or her property as directed in 570.145, RSMo.

Community Services and Supports

#1 Identify critical risks. Examples include; caregiver burnout, participant isolation, or potential for falls. List formal or informal supports for each risk identified. Examples include community resources

PARTICIPANT CHOICE STATEMENT INSTRUCTIONS (AGENCY, CDS, ADC & SFCW)

such as the Area Agency on Aging (AAA), Missouri Association for Community Action (MACA), or Center for Independent Living (CIL), etc. When the identified risk(s) mandates a referral for a hotline investigation, the 'support' field should indicate "appropriate referral made." If there are no identified critical risks, staff shall check the box to indicate this.

#2 Identify additional participant's needs not addressed in the care plan. Examples include; transportation, housing, or mental health services. List formal or informal supports for each need identified. Examples include, coordinating services with other state agencies such as the Department of Mental Health, Non-Emergency Medical Transportation, utility assistance, etc. If there are no additional needs, staff shall check the box to indicate this.

#4 In order to meet Centers of Medicare and Medicaid Services (CMS) standards, this section shall be used to assess continued compliance with the [HCBS Final Rule](#) based upon participant feedback. DSDS staff or their designee shall pay particular attention to participants in an Adult Day Care setting or a provider owned or controlled setting. If a participant indicates to DSDS staff or their designee concerns regarding the participant's setting, the staff should utilize the HCBS Final Rule [Participant Survey](#) to prompt further discussion. If necessary, DSDS staff or their designee shall forward all settings concerns to the Bureau of Long Term Services and Supports (BLTSS). Additional information regarding the [HCBS Final Rule transition plan](#) is available.

ASSESSOR SIGNATURE AND DATE: The individual completing the assessment shall sign and date the Participant Choice Statement reflecting when the assessment was completed.

ASSESSOR NAME (PRINTED): Print the name of the Assessor.

EMPLOYED BY: Enter the name of the Assessor's employer.

PARTICIPANT SIGNATURE AND DATE: Obtain the participant's/responsible person's signature and date. When the participant is unable to or refuses to sign the form, DSDS staff or their designee shall document this information in the case notes section of the participant's electronic case record or on the Participant Choice Statement itself.

DISTRIBUTION: The original copy shall be provided to the participant. A copy shall be uploaded and maintained in the participant's electronic case record. If the participant does not meet eligibility and is therefore, not authorized for HCBS, it is not necessary to obtain a signature from the participant or upload the form.

RIGHTS AND RESPONSIBILITIES

There are five (5) different Rights and Responsibilities forms. Staff shall review and leave the participant with the appropriate Rights and Responsibilities form(s) (Agency, CDS, ADC or SFCW), based upon the participant's proposed or authorized PCCP. The RCF/ALF Rights and Responsibilities form is not applicable to participants residing in their own home. If a service is added to the care plan between annual reassessments, mail the participant the appropriate Rights and Responsibilities form.
