

Level One Nursing Facility Pre-Admission Screening for Mental Illness/ Intellectual Disability or Related Condition

DHSS/COMRU

October 2021

Key Points

- The new process is now automated – the link to complete the application will be located on COMRU's webpage: <https://health.mo.gov/seniors/nursinghomes/pasrr.php>
- The Level One Nursing Facility Pre-Admission Screening for Mental Illness, Intellectual Disability, or Related Condition (Level One Form) replaces the current DA 124 C form.
- This new application will be required for any individual seeking admission into a Medicaid certified bed in a nursing facility on or after October 31, 2021.
- The automated system will give the submitter a Return Code that is unique to each individual application. Please ensure the submitter writes down this code as it will be utilized throughout the process.

- A Special Admission Category (SAC) is **only** utilized if a individual triggers a Level 2 screening.
- The submitter does not have to choose a SAC for processing.
- SAC numbers 1 thru 5 must be **preapproved** by COMRU prior to admitting to SNF. Failure to preapprove these SACs may result in loss of Medicaid payment.

Section F. Special Admission Category

- The submitter will be able to view the determination of the SAC by logging back into the application (using the unique Return code).
- When SAC #3 or #5 is approved, it is the responsibility of the skilled nursing facility to subsequently notify COMRU via email (COMRU@health.mo.gov) if the individual will exceed the thirty-day special admission stay. In order to avoid loss of Medicaid payment, notice must be made to COMRU within the first 14-20 days of the individual's stay to allow time for the processing of the Level 2 screening.
- If the individual discharges, transfers, or leaves the nursing facility for any reason the SAC is considered completed and a new application request will need to be submitted to COMRU prior to the individual's return to any nursing facility.

To continue the survey, please enter the RETURN CODE that was auto-generated for you when you left the survey. Please note that the return code is "not" case sensitive.

[Submit your Return Code](#)

- The physician opens the Application link and clicks on "Returning?". A box will appear and the physician will click on "Continue the survey".
- The physician logs back into the application (using the Return Code).
- When the physician has completed Section G, the physician scrolls to the bottom of the application and clicks "Save and Return Later". The physician can enter the submitter's email address and an email is returned indicating the application has been signed.

- 
- The submitter can also log back into the application (using the Return Code) to verify the Physician has signed/completed the application. This is the same process as the previous slide.
 - If the submitter is a hospital and the application **did not trigger** a Level 2 screening, the hospital can email the Return Code and Application link to the SNF for review. The SNF would complete the remainder of the application (Nursing Facility Level of Care Assessment) and submit to COMRU for processing.
 - If the submitter is a hospital and the application **triggers** a Level 2 screening, the hospital would continue to complete the rest of the application for submission.
